Please check thoroughly before submitting. Juzo can take no responsibility for any inaccuracies provided on this form. Use the Online Ordering System to avoid missing essential details; this will speed delivery and enable us to provide top quality customer service.

¹ If the patient name is provided, the company placing the order confirms that it has obtained lawful consent in advance to forward and process the data of the affected patient.

² Due to the principle of data minimisation under data protection law, we recommend that you only send in a photo in the case of difficult anatomical features.
